

2022 YOUTH WEEKS MISSIONS OFFERING

Two million meals and counting!

This is our eleventh summer packing meals for Haiti!

Our goal this year is to pack 150,000 meals. This requires \$47,000 in offering to pay for the food that will be packed. We are not only packing food to feed the hungry, we are also providing a way for the gospel of Jesus Christ to be shared with those receiving the meals. Go God!

We are asking that youth groups start before camp in helping us reach our goal for 2022. There are so many ways that your church can play a large part in our offering to Jacmel, Haiti. Share with your church that we are now supporting three villages, one hospital, two schools and the House of Abraham Orphanage with these meals. Plan a prayer meeting to pray for the House of Abraham. Hold a fundraiser. Decorate an offering container with pictures of the children from the House of Abraham. Use your imagination. One church simply put the container in their church and asked for spare change. They were so excited to bring so much more to camp than they had the previous summer! Let the students be creative with their ideas. We are so thankful to the many churches last summer that received special offerings during Vacation Bible School which ultimately played a role in helping us reach our offering goals.

These past 10 years, each group has taken one hour out of one camp day to pack meals that are shipped to Haiti. God has been doing immeasurably more than we could have imagined with these efforts! We pray that the offering will go above what we need to cover meals and shipping and help with other projects the House Of Abraham will do to reach their community for Christ. We are amazed that we get to take part in mission work at Caswell that impacts another country.
